GOOD TO KNOW

Do I need a membership to play?

No. Drop In lets anyone book courts or join open play, and your first visit is free. Membership lowers your rates and opens up longer booking windows.

How do the 13th month free and $0 initiation work?

Pay 12 months of dues up front and your 13th month is on us, with no initiation fee. Founding members who join by December 31, 2026 also pay no initiation fee.

Are there military, teacher or student rates?

Military, first responders, teachers, students and juniors save 10% on monthly dues for any individual plan, with proof of eligibility.

What does "included" mean?

Tier 1 includes 4 open-play sessions and 8 hours of court time a month; after that, courts are $30/hr peak and $20/hr off-peak per court. Tier 2 includes 8 open-play sessions and 16 hours of court time a month, with the same rates after that. Off Peak Unlimited includes 2 peak open-play sessions a month. Tier 3 court time is unlimited.

What's the cancellation policy?

Cancel any reservation at least 12 hours before start time with no penalty. Later cancellations may lose the session or incur a fee.

Can I add family members later?

Yes. On a Tier 3 Family plan, add an adult for $49/month or a minor for $29/month, as long as you share a household.
